

ABRAHAM LINCOLN'S HOME    SPRINGFIELD, ILLINOIS

**ABRAHAM LINCOLN'S HOME  
SPRINGFIELD, ILLINOIS**

This home, the only one Mr. Lincoln ever owned, he bought in 1844 for \$1500; he later enlarged it to its present appearance at a cost of \$1300. This is the original structure (built of native hardwoods with wooden pegs) in which the Lincolns lived until Mr. Lincoln became President in 1861. Here sons Edw., Wm., and Thomas were born. Home is at northeast corner of 8th. & Jackson Sts.
