Are still here in  
We had lovely  
saw a lot of our  
in the short time we  
had. We expect to leave  
for Miami in a day or  
two begin to feel like  
home sweet home  
went down and see  
blossoms three times, very  
pretty

These beautiful Japanese Cherry Blossom  
Trees which line Riverside Drive, Potomac  
Park, are a gift of the Japanese Govern-  
ment to the United States Government. In  
the Spring of the year they are a most  
beautiful sight and might suggest to the  
traveler a scene in old Nippon itself.
