

Sprngld Ills Apb/76

Dear. R. R.

I will look after your
taxes - McClelland & Keys are in
partnership with ^{me} in such cases - our
charge is only 10 per cent of the sum
abated and nothing if we do not
succeed - I am entitled to $\frac{1}{2}$. but
I make no charge against Shurt.

Edwards, Brown or yourself -

Your mother seems to be very happy
and contented, and has not said
one word about you or her bonds
since she was told that they could
not be restored to her until the expiration
of the year & the extent of her purchases,
you can judge from the amount remitted
to her and per. others - I think she is
determined to apply to the Court to have
you as her conservator removed and
her bonds restored to her. On all other subjects

She shows no signs of derangement -

Yours affly
A. W. Edwards
