Dear. Rotat

To humor your mother

I write anything she requests me  
to write to you, that is not offensive.  
She proposes to return to you Dickens  
work, which she says has your name  
on it then provided you will send  
her the picture of Moses. in the  
Bulwarks, which ~~she~~ says is a  
favorite picture and was presented to  
her when in Europe. I wrote to Mr.  
Shett that she had deposited her  
bond with Mr. Burns. and your Aunt  
and myself have no doubt but <sup>that</sup> she  
will leave there with him until 1781.  
for she today remarked that she  
will not return from abroad until  
then. She is afraid that you are

~~not~~ going to pay her the rent for which  
she has given Mr. Burn a power  
of attorney to collect -  
Is all her interest on bond payable  
in Chicago?

I would add more but I suggested  
no such to them over my letters  
to him.

Yours affly  
A. W. Edwards

Wrote to Mr. D. C. Miller  
and Mr. W. H. Hall  
about my  
Dovey
