Yours

of the 2<sup>d</sup> inst. as received  
I was conversing with  
Mr. Callender on last  
Sabbath respecting his  
Appointment he has  
not yet received it. A  
member of Congress wrote  
him that he was present  
when the President ordered  
the appointment and di-  
rected his Secy to make it  
out - which was about  
one <sup>month</sup> since I don't believe  
the appointment has  
been made and think

Dear Sir

Received of you  
the sum of £100  
on the 10th inst

and in full of the  
balance due to me  
by you for the  
rent of the house  
No. 10, Broad Street  
London for the  
year ending the  
31st Dec 1850  
I have the honor  
to acknowledge  
the receipt of the  
same and to thank  
you for the  
promptness with  
which you have  
settled the account  
I am, Sir, very  
truly yours  
Wm. M. M. M.

The prospect for his  
appointment is not very  
good I should advise  
you not to give up  
yet

Very Respect,

Wm. C. C. S.

Mr. Hay will remember the  
President's direction to appoint  
Rev. D. W. Telford, Chaplain of  
Camp Penniston. It seems that  
there has been some mistake. There  
has been rectified
