moment yours of

fear that I cannot
send is the state of
things here, I could
raise you the
money

I do it, nothing
would give me
more pleasure, than
to send it to you
at once. But
I have not, &
expect my pen
that I shall not
succeed in getting
it - I will write
again this week.

The success you see
from Mexico, is
showing - very -

The successful
them, we shall
be after, but

Don't fail to see
us to my first
to see you see of
the treaty, & when
we say you must

since
