Hon. R. W. Thompson,
Terre Haute, Ind.

Dear Sir:-

I wish you would at your earliest convenience, give us your views as to what should be said in our platform, and especially upon the following questions:

The State debt, School-books, equitable distribution of school funds, the non-partisan management of State institutions, the gerrymander, official salaries, White Capism and Local Option.

What in the way of National Legislation should be said concerning lotteries, pensions, trusts, the tariff &c.

Please give us your views on these subjects, and also upon others which may occur to you. We would like to know what should be said as well as not said in the platform. We would like to have your response by August 25th if possible.

Yours truly,

L. J. Michener
Chairman.
